Contemporary Nursing: Issues, Trends, & Management, 7e

Synopsis

Thoroughly prepare for the rapidly evolving world of nursing with *Contemporary Nursing: Issues, Trends, & Management*, 7thÂ Edition. Expert authors Barbara Cherry and Susan Jacob combine their own expertise from both academics and practice as they cover the relevant issues affecting todayâ™s nurses. In 28 chapters, including a new chapter on palliative care, this comprehensive new edition takes readers through the evolution of nursing, the role of the nurse today, safe and effective decision-making, collaboration and communication, leadership, job opportunities, and a number of timely issues affecting healthcare and nursing practice today. Full-color designÂ enhances the narrativeÂ withÂ aÂ clear, visually appealing explanation of concepts. Humorous cartoonsÂ open each chapter to illustrateÂ theÂ chapter themes. VignettesÂ at the beginning of each chapter personalize nursingÂ history and practice and help readers understand their place in the profession.Â Â Questions to ConsiderÂ While Reading This ChapterÂ follow the vignettes and prepareÂ the reader for the topic to be discussed. Key terms, learning outcomes, chapter overviews, and chapter summariesÂ help readers focus their learning experience.Â Unit on Leadership and Management in NursingÂ includes content to prepare nurses to effectively function in the management roles expected of the professional nurse. Unit on Career ManagementÂ provides strategies on how to make the transition from student to practitioner and tips on how to pass the NCLEX-RN Examination. Case studiesÂ help readers apply theory to clinical practice. NEW! Chapter on palliative care focuses on how to best provide patients with relief from the symptoms and stress of a serious illness, and how to improve the quality of life for both the patient and family. NEW! Combined chapter on quality improvement and QSEN keeps readers up to date on the latest competencies from the Institute of Medicine. NEW! Professional/Ethical Issue boxes provide a short scenario about an ethical issue related to the chapter content. NEW! Updated coverage reflects the latest NCLEX test plan. NEW! Incorporation of Triple Aim in healthcare discusses ways to improve the health of the population, enhance the experience and outcomes of the patient, and reduce per capita cost of care for the benefit of communities. NEW! Expanded coverage of working in an interdisciplinary team reflects the changing healthcare landscape and need to work in collaboration with a variety of healthcare specialists.

Customer Reviews

I gave it 5 stars because it is a required text for my next semester of RN school. I have not actually read the book

This book came in early, perfectly packaged, and BRAND NEW. It says "very good" condition but it was 100% perfect, without even one crease. So happy with what I got for the low price I got it for.

OMG! When I bought this book it said "used-acceptable", but really the book was BRAND NEW! In package and all! Awesome purchase! Thanks!

This book was required by my nursing program. The material is fairly dry, but is laid out in a manner which makes it a decent read.

This book was required for nursing school. Renting it was fast and simple.... plus, I received a new copy.

Clean inside and out no torn pages no highlighter marks no damaged at all

I got exactly what I expected . No surprises thank youÃ ÃÃ

Very good book
