Customer Reviews

I love this book ! It has so many different styles/types of dragons to color. So far, I've only used my PrismaColor coloring pencils, which work awesome, but I plan on using my Glitter gel pens as well. Since the paper is thin, as usual I'll use an extra piece of paper behind the picture to prevent bleed thru. Still, a very good buy & hours of enjoyment.

Stunning! This is a gift, my daughter will love it! The black background really adds some drama to each page. The illustrations are great, very traditional, clearly lined. For the price, this is definitely worth it for any dragon lover~

Everything was great, Nessie
