The Good Dinosaur: The Good Dinosaur (Novelty): A Berry For Arlo

Synopsis

What if the cataclysmic asteroid that forever changed life on Earth actually missed the planet completely and giant dinosaurs never became extinct? Based on Pixar Animation Studios latest film, The Good Dinosaur, this hilarious, die-cut board book is the best way to meet your favorite new prehistoric pack of characters!

ISBN-10: 1484700996

ISBN-13: 978-1484700990

Product Dimensions: 8.8 x 1.1 x 10.5 inches

Shipping Weight: 10.9 ounces (View shipping rates and policies)

Average Customer Review: 3.4 out of 5 stars 5 customer reviews

Best Sellers Rank: #842,826 in Books (See Top 100 in Books) #117 in Books > Science & Math > Biological Sciences > Animals > Dinosaurs #1034 in Books > Children's Books > Animals > Dinosaurs #14529 in Books > Children's Books > Humor

Age Range: 4 - 8 years

Grade Level: Preschool - Kindergarten

Customer Reviews

Lots of typos in this book. There's no real story line to it either.

My grandson loves this book, and he asks me to read it to him several times every time he visits.

it was a great book for our grandchild to read before the story comes to the screen. Good story.

This a board board, but note it is quite big and heavy (for a board book). Because of that, little hands might need a little help with holding/turning pages. Approximately every other page is cut-out around the edges in various shapes which was an interesting feature- though it almost acts as a "before and after" more than anything else. The story is simple and sweet. Spot decides to bring a branch of berries to his friend Arlo. To do that though, he has to pass through a string of other animals who also love berries- so he loses a few each page. By the end, though only one berry

remains, we see that it really is the thought that counts and Arlo appreciates the valiant effort his friend Spot has made to bring him a sweet snack. As far as the story goes, I preferred *A Mouse So Small* which is a pretty similar story but has a bit more substance to it. However, this one has the HUGE advantage of being a Disney/Pixar book so kids will love that it has their favorite characters from the movie *The Good Dinosaur*.

I purchased this book at Barnes and Noble for my son who is 6. It is a cute book but my 6 year old was not very interested in it due to the fact each page has only a couple words and some pages only one! It's a cute book for toddlers or beginners.
