Customer Reviews

"In *Unseen Masters*, winner of the 2001 Mary Seeman Award, Bruce Ballon has created a 'Master'piece! His psychiatric expertise and insight into mental illness, and the criminal mind, and his love of the horror genre, combined with his extensive knowledge of the 'Dark Forces', not only in the present day but throughout history, with which we share our world make UM a unique, one-of-a-kind experience. Rich, fascinating, and chilling, this extraordinary book elevates the concept of 'role-playing' to a unique new level, to an art form. Bravo Dr. Ballon!" --Diana Barron
Author of 'Phantom'"A novel can be rich in detail, but that richness is limited by the one story that the author chooses to tell. A book like *Unseen Masters* has to provide that richness for many possible storylines that are created by the players. I'm impressed by the depth and breadth of Ballon's invention." --Bruce Holland Rogers, Nebula Award Winning Author" I recommend *Unseen Masters* for everyone. Fascinating book. There's so much more to it than I ever expected. It's a

worthy candidate in the Other Media category of the Bram Stoker Award." --Brian A.
