Cenozoic Foraminifera And Calcareous Nannofossil Biostratigraphy Of The Niger Delta

Synopsis

Cenozoic Foraminifera and Calcareous Nannofossil Biostratigraphy of the Niger Delta is available just as exploration and production activities are moving into the little known deep water terrain of the Niger Delta. A thorough understanding of the Cenozoic Niger Delta will improve understanding and exploration of the evolution of deeper offshore belts, help researchers strengthen and refine existing Neogene nannofossil biostratigraphic schemes for the Niger Delta region, and gain a better understanding of the relationship between nannofossil assemblage variations and paleoenvironments. The hydrocarbon reserves of the Niger Delta are an extremely valuable natural resource. Biostratigraphy and Correlation play important roles in the discovery, development and maturing of hydrocarbon fields. Calcareous nannofossils have been important tools for the stratigraphers in the Niger Delta and in recent years exploration has moved into deeper offshore areas where nannofossils are more abundant and diverse. Little has been published about the calcareous nannofossil chronostratigraphy of the Niger delta. Cenozoic Foraminifera and Calcareous Nannofossil Biostratigraphy of the Niger Delta fills the gap for earth scientists and those working in the oil and gas industry. Showcases the phylogenetic relationships of some of the principal Niger Delta marker species and their biostratigraphic and biochronologic significance. Features photographs of index benthonic foraminifera and their equivalent planktonic datums as well as environmentally sensitive species used in paleobathymetric reconstruction. Includes information and research that has, until now, been in the private archives of operational companies. Companion website features 20+ full color stratigraphic charts and maps.

Book Information

File Size: 82015 KB

Print Length: 592 pages

Publisher: Elsevier; 1 edition (November 25, 2016)

Publication Date: November 25, 2016

Sold by:Â Digital Services LLC

Language: English

ASIN: B01NBF1TQD

Text-to-Speech: Enabled

X-Ray: Not Enabled
