Customer Reviews

Jessica Mazurkiewicz's graphic illustrations can be seen in books and magazines, as well as on clothing and dinnerware. She is the author of several Dover titles, including Abstractions and Coral Reef Stained Glass Coloring Book.

I love this author so it is my mistake that I did not realize this was a miniature book (3" x 5"). On top of that, it's bound so tightly I can't even crack it open to get to the whole picture.
