Insider Secrets: Mastering Search On Ancestry.com: 50 Tutorials & Tips For Beginning, Intermediate, & Advanced Users

Synopsis

Learn how to effectively search the #1 Family History & Genealogy site in the world! There are over 19 billion records on Ancestry.com. Can you find the one you are looking for? If you understand how the Ancestry search system works, you can. With tutorials, tips, and explanations, this book is perfect for budding family historians, experienced tree builders, and expert genealogists. You will discover:

- Simple yet powerful strategies to guide your search
- How to make the 19 billion-record haystack more manageable
- Under-used search capabilities for focusing on the records you desire
- Ways to find out if Ancestry has what you are looking for, before you even start a search
- Explanations for why Ancestry search behaves the way it does
- Tips for creating, refining, and mastering searches

Jim Mosher distills almost seven years of experience as an Ancestry product manager into this comprehensive guide, sharing intimate details of how the search system works. Progressing from the basics to the esoteric, he presents concepts and tools that will help anyone make the most of their Ancestry.com experience. Once you have mastered search, you may also want to discover how to get the most from the Ancestry Image Viewer, also available on : <https://www..com/dp/B074B6YBVX>

Customer Reviews

A very helpful guide to all the things you never knew about Ancestry's holdings and the various ways to search them

Have found new things in this book that have helped!

Answered some of the frustrations and issues I was dealing with . . .

I am still learning new way of mastering my search on Ancestry.com. Thank you

Does a good job explaining how search engine work in different databases. Includes a outline in back of book for quick references.
