Thinking Through Sources For Ways Of The World, Volume 1

Synopsis

NEW Thinking through Sources primary source reader supplements the "Working with Evidence" source projects in *Ways of the World*. With six to eight carefully selected documents per chapter, this two-volume primary source reader presents a wide range of documents that connect to topics in each chapter in *Ways of the World*. Headnotes and questions to consider before each document help students approach the documents and essay questions at the end of each chapter provide a starting point for classroom discussion or a written assignment.
