Reclaiming Indigenous Planning (McGill-Queen's Native And Northern Series)

Synopsis

Centuries-old community planning practices in Indigenous communities in Canada, the United States, New Zealand, and Australia have, in modern times, been eclipsed by ill-suited western approaches, mostly derived from colonial and neo-colonial traditions. Since planning outcomes have failed to reflect the rights and interests of Indigenous people, attempts to reclaim planning have become a priority for many Indigenous nations throughout the world. In *Reclaiming Indigenous Planning*, scholars and practitioners connect the past and present to facilitate better planning for the future. With examples from the Canadian Arctic to the Australian desert, and the cities, towns, reserves and reservations in between, contributors engage topics including Indigenous mobilization and resistance, awareness-raising and seven-generations visioning, Indigenous participation in community planning processes, and forms of governance. Relying on case studies and personal narratives, these essays emphasize the critical need for Indigenous communities to reclaim control of the political, socio-cultural, and economic agendas that shape their lives. The first book to bring Indigenous and non-Indigenous authors together across continents, *Reclaiming Indigenous Planning* shows how urban and rural communities around the world are reformulating planning practices that incorporate traditional knowledge, cultural identity, and stewardship over land and resources. Contributors include Robert Adkins (Community and Economic Development Consultant, USA), Chris Andersen (Alberta), Giovanni Attili (La Sapienza), Aaron Aubin (Dillon Consulting), Shaun Awatere (Landcare Research, New Zealand), Yale Belanger (Lethbridge), Keith Chaulk (Memorial), Stephen Cornell (Arizona), Sherrie Cross (Macquarie), Kim Doohan (Native Title and Resource Claims Consultant, Australia), Kerri Jo Fortier (Simpco First Nation), Bethany Haalboom (Victoria University, New Zealand), Lisa Hardess (Hardess Planning Inc.), Garth Harmsworth (Landcare Research, New Zealand), Sharon Hausam (Pueblo of Laguna), Michael Hibbard (Oregon), Richard Howitt (Macquarie), Ted Jojola (New Mexico), Tanira Kingi (AgResearch, New Zealand), Marcus Lane (Griffith), Rebecca Lawrence (Umea), Gaim Lunkapis (Malaysia Sabah), Laura Mannell (Planning Consultant, Canada), Hirini Matunga (Lincoln University, New Zealand), Deborah McGregor (Toronto), Oscar Montes de Oca (AgResearch, New Zealand), Samantha Muller (Flinders), David Natcher (Saskatchewan), Frank Palermo (Dalhousie), Robert Patrick (Saskatchewan), Craig Pauling (Te Runanga o Ngai Tahu), Kurt Peters (Oregon State), Libby Porter (Monash), Andrea Procter (Memorial), Sarah Prout (Combined Universities Centre for Rural Health, Australia), Catherine Robinson (Commonwealth Scientific and Industrial Research Organization, Australia), Shadrach Rolleston (Planning Consultant, New Zealand), Leonie Sandercock (British Columbia), Crispin Smith (Planning Consultant, Canada), Sandie Suchet-Pearson (Macquarie), Siri

Veland (Brown), Ryan Walker (Saskatchewan), Liz Wedderburn (AgResearch, New Zealand).

Customer Reviews

"Restoring Indigenous worldviews back onto the land is how we can work towards balance. This informative and engaging volume of excellent essays makes this hopeful idea clear." Kamala Todd, Mātis-Cree writer, filmmaker, and community planner; There is a tremendous breadth and depth of debate in *Reclaiming Indigenous Planning*'s presentation of Indigenous community experiences in North America, Australia and New Zealand. The chapters traverse the rural and urban landscapes and explore the inter
