The Qabbalah, The Secret Doctrine Of Israel [Illustrated]

Synopsis

"A doctrine so logical, so simple, and at the same time so absolute. The necessary union of ideas and signs, the consecration of the most fundamental realities by the primitive characters; the Trinity of Words, Letters, and Numbers; a philosophy simple as the alphabet, profound and infinite as the Word; theorems more complete and luminous than those of Pythagoras; a theology summed up by counting on one's fingers; an Infinite which can be held in the hollow of an infant's hand; ten ciphers and twenty-two letters, a triangle, a square, and a circle,--these are all the elements of the Kabbalah. These are the elementary principles of the written Word, reflection of that spoken Word that created the world!"(Albert Pike, in "Morals and Dogma")

I cannot say too much about Manly P. Hall, he is one of the greatest writers of Esoteric knowledge books, of modern times! This book is one of many. His depth of knowledge of the Qabalah, and style of presenting the truth, is simple and informative! I give my highest recommendation to this book.

This is a mighty fine discourse on the Qabalah. I am used to spelling it Qabalah, by the way. This book is the perfect survey course on the back bone of Hermetic sciences. If you want to improve

your proficiency in Astrology, Numerology, and Tarot this book will be helpful.

Manly Hall is a master at making complex systems somewhat understandable! The Quabbalah is an ancient teaching that I can never hope to truly grasp unless I had a lifetime to study it, however, this book gives me enough to be able to at least get the basics of what the system is about. I love Manly Hall.

I really enjoyed reading this book. Well written and informative and above all, understandable.

Manly P. Hall is a name to remember in the study of Hermeticism, not always the easiest fellow to understand but the book increased my knowledge.

Good read

Just not my kind of book. Seems would need some previous knowledge of subject for subject to be understood; is not Qabbalah 101.
