## Customer Reviews

A tad confusing in the beginning, but good story. Only thing negative about BOOKSHOTS....too short and the endings leave one wondering. Still, a good read.

As always, James Patterson does not disappoint. I love the way the book moves between centuries and brings the characters to light in their respective time lines. Love his books!!!

Terrible.... Not even worth the time to read it. Poorly written, very mixed up time frames. I'm still not sure what it was about

An enjoyable easy read.. it appears to be a time travel story with a twist. It is a good poolside read.  
good poolside

I didn't like this book. There was too much that I feel needed to be explained to the readers. I  
wouldn't bother with it

It took me a while to figure out the cast of characters and their role in the plot. It was just strange.

I love his Bookshots! I commute by train 45 mins each way, just the right time for a Bookshot!

Loved this book. Takes me back to when Coney Island was a very grand place to be and have fun.
