HESI Comprehensive Review For The NCLEX-PN® Examination, 4e

Synopsis

Prepare for success on your HESI exit exam and the NCLEX-PN®! The HESI Comprehensive Review for the NCLEX-PN® Examination, 4th Edition provides a complete, all-in-one review of the information you need to know. Written in an easy-to-read outline format, this study tool breaks down chapters by clinical areas and topics emphasized on the NCLEX-PN exam. Rationales are provided for incorrect answers and help you address any areas of weakness. The companion Evolve website offers 500 practice questions, giving you valuable practice in the same electronic testing format you will experience on your nursing school exit exam and on the NCLEX-PN exam. Detailed rationales explain correct and incorrect answer options for practice questions. HESI Hint boxes highlight important clinical information and concepts commonly tested on the NCLEX-PN exam. Pharmacology tables summarize the need-to-know drug therapy content emphasized on the NCLEX-PN exam. Critical thinking study questions reinforce key concepts and content, and also include answer guidelines. Chapters organized by clinical area make it easy to find and study review topics. The Evolve companion website includes 500 NCLEX practice questions, including alternate item formats, providing a testing experience similar to the nursing school exit exam and the NCLEX-PN licensure examination.

Customer Reviews

I passed the nclex the 1st time. This book helped me so much. I tried other programs but this helped me prepare the most.

Received the book in 6 days.---WOW fast. The book was spotless. No marks, the pages are in fabulous condition.It came with a CD--Double WOW.Great seller.You are the BEST.FOREVER-customer for lifeMrs.D

Book was in used condition when I bought it but in awesome condition. Very helpful

I purchased this book for someone studying for LVN, she found it to be extremely helpful, more so than her class notes. She passed the exam and onto the NCLEX national exam, which the same book supports. Great study tool.The experience with the seller was pleasant the product arrived timely.

Its very helpful. I am told that I need to study other books along with this one to fully get the information necessary to pass the NCLEX

good for a book

This really helped me on my exit exam. The online questions that come with this book (when you redeem the code on the inside label) are great! Needed 850 to pass and got a 1074!

Passed by Hesi Fundamental with a 98, and Med Surg with 96. Buy this book it will help you tremendously
