Collagenous Colitis – A Medical Dictionary, Bibliography, And Annotated Research Guide To Internet References

Synopsis

In March 2001, the National Institutes of Health issued the following warning: "The number of Web sites offering health-related resources grows every day. Many sites provide valuable information, while others may have information that is unreliable or misleading." Furthermore, because of the rapid increase in Internet-based information, many hours can be wasted searching, selecting, and printing.This book was created for medical professionals, students, and members of the general public who want to conduct medical research using the most advanced tools available and spending the least amount of time doing so.

Book Information

Paperback: 120 pages

Publisher: ICON Health Publications (September 17, 2004)

Language: English

ISBN-10: 0497002809

ISBN-13: 978-0497002800

Product Dimensions: 8.3 x 0.2 x 11 inches

Shipping Weight: 8.8 ounces

Average Customer Review: 3.0 out of 5 stars   1 customer review

Customer Reviews

This is a 3-in-1 reference book. It gives a complete medical dictionary covering hundreds of terms and expressions relating to collagenous colitis. It also gives extensive lists of bibliographic citations. Finally, it provides information to users on how to update their knowledge using various Internet resources. The book is designed for physicians, medical students preparing for Board examinations, medical researchers, and patients who want to become familiar with research dedicated to collagenous colitis. If your time is valuable, this book is for you. First, you will not waste time searching the Internet while missing a lot of relevant information. Second, the book also saves you time indexing and defining entries. Finally, you will not waste time and money printing hundreds of web pages.

In addition to offering a structured and comprehensive bibliography, this medical reference on collagenous colitis will quickly direct you to resources and reliable information on the Internet, from the essentials to the most advanced areas of research. Public, academic, government, and peer-reviewed research studies are emphasized. Various abstracts are reproduced to give you some of the latest official information available to date. Abundant guidance is given on how to obtain free-of-charge primary research results via the Internet. E-book and electronic versions of this book are fully interactive with the Internet. For readers unfamiliar with the Internet, detailed instructions are offered on how to access electronic resources. For readers unfamiliar with medical terminology, a comprehensive glossary is provided. For readers without access to Internet resources, a directory of medical libraries, that have or can locate references cited here, is given. We hope these resources will prove useful to the widest possible audience seeking information on collagenous colitis.

hoped this would give me insight into the disease I have, but it was basically a book of references. Now I can't sell it, and I wasted my money-
