Ghost In The Winds (Ghost Exile #9)

Synopsis

The Apotheosis has come at last, and it will shatter the world. CAINA is trapped in the ruins of an ancient necromancer's tomb. Unless she escapes the lethal trap, there will be no one to stop Grand Master Callatas from unleashing the Apotheosis. KYLON is desperate to save Caina's life. The deadly Red Huntress is coming for Caina, and only by the sacrifice of his own life can Kylon save Caina from the Huntress's blade. Or the Red Huntress might simply kill them both. CALLATAS is ready to call the Apotheosis and create a new humanity to replace the old. Of course, the old humanity will have to die first...every last man, woman, and child. And he will start with Caina Amalas.

ABOUT THE AUTHOR Standing over six feet tall, USA Today bestselling author Jonathan Moeller has the piercing blue eyes of a Conan of Cimmeria, the bronze-colored hair of a Visigothic warrior-king, and the stern visage of a captain of men, none of which are useful in his career as a computer repairman, alas. He has written the DEMONSOULED series of sword-and-sorcery novels, and continues to write THE GHOSTS sequence about assassin and spy Caina Amalas, the COMPUTER BEGINNER'S GUIDE series of computer books, and numerous other works. His books have sold a half million copies worldwide.

Customer Reviews

In short, a great finish to the second arc of Caina's adventures. Poor girl doesn't get a break not once... We get great final showdowns for both the direct threat (Red Huntress aka. the best antagonist of this story arc) and the world destroying one (the Apotheosis, which is kinda meh, I mean no offense but this is basically the discount version of Moroaica's plan, with worse execution and motivations). Still the book and various subplots across it offer a great ride. A few plot twists here and there but mostly this is endgame time, no loose threads left hanging, no questions unresolved. If you liked the previous entries in the series this is a must read.

I normally hate series with more than 3 or 4 books in them. In my opinion, after 3 or 4, it tends to feel like the author is unnecessarily stretching things out. Not so with the ghost series (or any of this author's series). Each book's plot is entertaining while contributing to the main character's overall goal to be fulfilled by the end of the series. I love the characters and have been left wanting more of them when I finish a book. I highly recommend all books by this author. My only complaint is that I've read them all and have to wait while he writes more!

Wow so much excitement packed into the final round! Caina has one last chance to stop the evil takeover and death of the world. Slim chance at that but she is the only one who could pull it off. Will it destroy any chance for happiness or be the ultimate triumph?

Loved it!! A fitting end to this journey in Caina's life. I am glad that it was an ending I can definitely say I was pleased with. Thank you Mr. Moeller for another great series with this great heroine(s) and likely/unlikely heros.

I really wish they'd make these books into a tv series. Some people love seeing books brought to life, some hate that Hollywood butchers books. But these would make an excellent show. I love most of this author's work, just can't seem to get enough. Very nice conclusion to this story line.

If you liked the other 17 books in the series, you'll like this one ... um, MORE! Nearly every significant character in the Exile series appears and all of the loose ends and threads are tied

together in this excellent book. If you were waiting to see what reviews are like for the whole series before starting it, the whole series is great. Caina is a really compelling main character, the world is fantastical, the plots solid, and the action relentless (in a good way). I've no complaints about any of it.

This book is absolutely amazing. This entire series is amazing!!! I have to say that I have never read a series where I enjoy almost all of the characters especially Caina. This series has kept me captivated throughout every book. Out of every book series I have read this is by far my favorite. I can't wait until the next book comes out because I don't want to be done with Caina's adventures. I would definitely recommend this book except I don't really want to cause I don't want to share lol.

The finale to his second Ghost series is spectacular. Jonathan really went all out, 'guns blazing', for this story! Some larger than life scenes that made me savor his imagination, and sorrowful scenes, and battle ones, and humorous ones. While the finale does not leave you hanging, it leaves the door open to a third series, whose plot is announced at the end. Needless to say, I'll be buying the future books too.
