On Writing Books For Children (A Little Ark Book)

Synopsis

This guide covers all aspects of writing fiction for children, from getting started to refining subtle details of technique. It deals with many types of story, from picture books to novels for teenagers, from realism to high fantasy. The author emphasizes that there are no rules and no advice that fits all cases. What she offers is a guide to the many literary tools writers can use, and her insights into the process of distilling ideas and experience into potent stories for children. Using brief exercises throughout, she helps new writers focus on different aspects of technique. Her examples of good and bad practice are illuminating - and often amusing.

Book Information

Series: A Little Ark Book

Paperback: 182 pages

Publisher: Allen & Unwin (October 1993)

Language: English

ISBN-10: 1863733671

ISBN-13: 978-1863733670

Product Dimensions: 0.5 x 8.8 x 5.8 inches

Shipping Weight: 4.2 ounces

Average Customer Review: 5.0 out of 5 stars 1 customer review

Customer Reviews

It's a shame this book is out of print. I bought it the moment I read a review of it in the New Zealand Herald. I didn't realise how long it is since it was published--1992. Anyone who wants to write for children will certainly find this a helpful book. Come on, Allen & Unwin, Australia, get your act together and reprint it, with revisions if you feel it is necessary. L A Barker
