Maqasid Al-Shariâ€™ah, Ijtihad And Civilization Renewal (Occassional Paper)

Synopsis

This paper develops the idea of a maqasid-based framework for ijтиhad and civilizational renewal (tajdid hadari), a broad and engaging prospect that also involves a review and reappraisal of the methodology of Islamic jurisprudence relating to both the maqasid and ijтиhad. The author argues that this would enable Muslims to widen the scope and horizon of the maqasid or objectives of Islamic law from their currently legalistic leanings towards the wider perspective of civilisational renaissance. The nexus that needs to be developed between the maqasid and ijтиhad also needs to be supported by a credible methodology, which is what the author has attempted in this paper.
