Simple Zakat Guide: Understand And Calculate Your Zakat

Synopsis

Simple Zakat Guide explains the rules and reasons of Zakat. Step by step worksheets are provided for every section. Topics include everything from Zakat liable assets, expense deductions, 401k and other retirement accounts, how to account for Haram earnings, how to calculate Nisab, in addition to the basics of Islamic charitable ethics. This second edition of the book contains additional information about HSA and FSA accounts. Simple Zakat Guide seeks to be an accessible middle ground for those wanting to learn clearly and concisely about how and why to give charitably in Islamic Law.

Joe Bradford is a subject matter expert on Islamic Law and Finance, with over a decade of experience teaching, consulting, and working in those fields. He holds a graduate degree in Islamic Law and legal theory from the University of Medina.

Good intro, was hoping for a textbook as opposed to a worksheet format, but I still learned and may consider using this in the future

Finally the way this book is written it is easy to adhere financially to the blessings of our faith this young man has surpassed his offering for devotion to people who truly wish to worship in every aspect of their life

Very simple yet comprehensive and authoritative. Well written.

Great book. Simple and easy to follow. Also provides easy to use worksheets / templates in the back you can photocopy and use annually.

Hi I just purchased the book. Is there a way to get the kindle version for free

Excellent guide that is very easy to follow for the average person, and even one new to understanding Zakat.

Perfect, practical and easy to use . Jazaka Allahu Khairan

excellent reference
