Tenzin Gyatso, His Holiness the XIV Dalai Lama, is the exiled spiritual leader of the Tibetan people. He is widely recognized as an advocate of world peace and has received many honors, including the Nobel Peace Prize.

Maybe it has a lot to do with the positive insight that the Dalai Lama has to offer for ANY situation. A paragraph a day, one page, can make a huge difference in your mindset; either starting the day or dealing with a difficult situation as your day progresses. This book is not overly religious, and it's written in plain terms. Thank you Dalai Lama for your kind and gentle presence.

Great advice from an awesomely great, good person!
