Biblical Studies On The Internet: A Resource Guide

Synopsis

With this handbook of currently available internet resources (for use online or to be downloaded to one's personal computer), the users can locate the exact spot on the internet to find the materials they want. And they will save countless hours of frustration and work. Over 3,300 websites provide information on a range of topics: English language Bible translations that can be used online or downloaded, sites to listen to hymns, Bible translations into 57 non-English languages, non-English commentaries, dictionaries, and other resource materials, Hebrew, Greek, and other ancient language texts and resource materials, numerous commentaries on any one single biblical book or on the entire scriptural canon, and supplemental materials dealing with everything from devotional studies to issues of fundamental biblical interpretation.

Book Information

Paperback: 328 pages

Publisher: Mcfarland & Co Inc Pub (January 15, 2002)

Language: English

ISBN-10: 0786413271

ISBN-13: 978-0786413270

Product Dimensions: 1 x 6 x 8.8 inches

Shipping Weight: 15.2 ounces

Average Customer Review: 3.0 out of 5 stars 1 customer review

Best Sellers Rank: #1,677,666 in Books (See Top 100 in Books) #88 in Books > Reference >

#7197 in Books > Computers & Technology > Internet & Social Media #20856 in Books >

Christian Books & Bibles > Bible Study & Reference > Bible Study

Customer Reviews

Intended as a guide for the average Internet user, this work should save valuable research time and prevent aimless searching. Worth (Church, Monarch and Bible in Sixteenth Century England) provides multiple locations for Bible translations (English and non-English), downloadable Bibles, audio Bibles, and hymns, as well as language resources, commentaries, and related study materials. However, the overall presentation has breadth but not depth. Worth does not address issues of bias, currency, or authenticity with relation to any of these sites; all URLs are sparsely presented without editorial comment. These also tend to be heavily Protestant resources a quick peak at the index reveals that neither "Catholic" nor "Vatican" are listed anywhere, even though The

Catholic Encyclopedia and various encyclical and ecclesiastical documents dealing with biblical topics are available on the web. Nor does Worth provide any introductory material on how one might search for biblical works or even a comparison of search engine efficiency in relation to biblical topics. Still, given its limitations (most glaring of which is the ephemeral nature of the web itself), this should provide librarians and dedicated researchers with useful bookmarks. Sandra Collins, Duquesne Univ. Lib., Pittsburgh Copyright 2002 Cahners Business Information, Inc.

Lists more than 3,300 sites, from downloadable Bibles (including translations in 57 non-English languages) to Bible quizzes and games. RBBCopyright © American Library Association. All rights reserved

My first impression of this is that I am flooded with information. To be blunt - "too much". On the other hand, this would be a great reference work for a Christian college library if it were an ebook instead of a print edition where you have to enter all website and other data to get the documents involved. It is truly a resource. One other thing - this paper will not replace the Internet.
