Never Forsaken (The Kurtherian Gambit Book 5)

Synopsis

Life is beyond dangerous when you are caught up in the ongoing war between Bethany Anne's group and the Forsaken. Both Vampires and Humans have been targeted, but if there is one thing that those who work with Bethany Anne learn, it is you are NEVER FORSAKEN. Never Forsaken, The Kurtherian Gambit 05 follows the story after Bite This. If you haven't read the preceding books YOU PRETTY MUCH HAVE TO. These are a series and many of the characters have been introduced in preceding volumes. **Please note, as mentioned in another review, there is flagrantly foul language in this novel. The main character does not have a problem with cussing, just uninspired cussing. Series includes: Death Becomes Her - The Kurtherian Gambit 01 Queen Bitch - The Kurtherian Gambit 02 Love Lost - The Kurtherian Gambit 03 Bite This - The Kurtherian Gambit 04 Never Forsaken - The Kurtherian Gambit 05 Under My Heel - The Kurtherian Gambit 06 (Feb 2016) Kneel or Die - The Kurtherian Gambit 07 (Feb/Mar 2016)

Customer Reviews

5.0 out of 5 starsA 411 Update if you are interested ã ã ã^ã•By Lisa on January 24, 2016Format: Kindle Edition Verified Purchasehere is a 411: if you are a perfectionist reader stop now, otherwise this an outstanding story. I'm already on book three and I started reading them today. The negatives: sometimes knowing which character is talking; happens a lot in the first book but evens out in the second, still happens but not as much. Sometimes inserts the wrong character name while they are talking or thinking. I do like that this is from an multiple characters point of view, but it can be difficult occasionally to follow because the transition is not always seamless. The grammar is ok but not perfect but did not take away from the story. The PROS: love the story line, love that is a continuation with lots of laughs and action. I'm looking forward to see where the author is going with this. I'm stopping now to read the third book, but because I'm digging this author I wanted to send a shout out!Update: I have read books 3 & 4 and a lot of the issues I had with the first two books have been addressed. 3 & 4 is so much smoother to follow. I am seriously enjoying this story. I about to start on book 5 and hope to finish before bed tonight, so this does not follow me to work tomorrow lolI love a good story especially if it can make me laugh, cry, cheer, and a host of other emotions. So far in this series I have hit them all. What I especially like is if I can guess where the author is going. I'm not looking for a mystery, I'm looking for adventure and I get that with this story. It has all my favorite types of characters, supernatural, alien, military, strong moral characters, kick ass H&h, and a team of awesome supporting sidekicks. I hope you enjoy this story as much as I have!Finally I have completed my duty, and can go on to book 5 hip hip hooray. I rarely submitt reviews unless I really like an Author I have submitted 4 for him what do you think? Is he perfect no but can he write a story to entertain us YES!Comment Looking for voting buttons? Sorry, we don't let customers vote on their own reviews.I have finished book 5 and I have to say the writing and story just keeps getting better. I'm sad to say I now have to wait for the next in the series. Waiting is hard to do ã ã ã^ã•!

First of all, thanks for posting my review (I was the guy who talked about Steam and the total number of reviews.) Basically, the title says it all. Still going strong with everything I like. Also, another reason I like your work is that I read extremely fast. Roughly 100 print pages an hour. I have a hard time keeping in books as a result. I do not have that problem with your works. You are able to put out good books that I enjoy in a reasonably short amount of time compared to others who I read. Keep up the good work please.

Ran across the Rise of Magic series and was intrigued, so decided to purchase all 16 books in the Kurtherian Gambit series. I then spent the next 4 days reading all 16 of them, then moving on to the

Second Dark Ages and Trials and Tribulations series. This is a very entertaining and intriguing take on Vampires and Werewolves. I am eagerly awaiting book 17. And while there were warnings about the cussing in the book I found them to be hilarious. As far as military Scifi goes, I would easily rate this up there with some of the other major authors in the genre, such as John Ringo's Possleen War or Through the Looking Glass. Looking forward to enjoying the rest of this series, and the best part Michael Anderle seems to be a fairly prolific author so not a massive wait between books.

The author, a MR. Michael (big caps because BIG talent) is on my major Author's reading list, even though he's just a wimper snapper. Folks, I don't have definition of 'Great Literature' I leave that to those "scum sucking bog logging humpers" who write that Science Fiction will never be great literature. I do have and so stated a definition of good Literature and these stories meet that criteria. Restating one of that criteria is that good Literature must be fun (entertaining), well I got no complaints on that. I do have one Major complaint and that is the Author should be more respectful of this work and change more money for this stuff. My best to all you (if only one then obviously I am addressing the Imperial We) and to all readers - enjoy.

I'm going to be lazy and cut n paste this review for the first five since they were all great. I found this gem at the back of a rather blah book I recently finished. Sounded interesting so I tried the sample. Hooked me immediately so I purchsed this one. Half way through I purchased the next two. Half way through the second I purchased the rest. Less than two days later I finished all five. All I can say is, these books are a lot of fun with great characters and lots of action. Try the sample and if it interests you go for it. They only get better. Make sure you read the authors comments at the end. He is pretty straight foward about the editing etc. which is why I didn't really ping it in my review. Enjoy!

I read Ell's three books and had to get back into Bethany Anne again. Make sure Ell keeps her series going. I plan to continue the TKG series until I am caught up. I read some of the reviews at the end of tkg05 and it's just like going to restaurant with my wife and listening to her complain about the food all night. Just eat it. Same thing about reading. Just read. If the editing and punctuation aren't bad enough to interfere with the understanding of the story get over it an read. And Michael, I try to write as many reviews as possible ,but they never as long as this one. I want to encourage the writer not add a chapter to the book. You and Ell keep it up. Ill keep buying the books. mrg
