Text: English (translation)

It is quite exciting to have access to such an ancient sacred text!! waited to find this particular 'author'.

Excellent book. Came in a great shape and surely is a great source of inspiration.

This is fantastic and always inspiring. Beautiful

Great

a beautiful book

Aurobindo is first of all a mystic qualified by Alexandra David-Neel "a reasonable mystic". and I quite agree. The translation, by modern habits is difficult to read and may for certain look grammatically

incorrect, and they may be therefore disturbed. Getting a comment from a field I know much better than Hinduism, I am tempted to say of that translation what Sir Alan Gardiner, a foremost egyptologist said once of the "The Chapters of coming forth by day" also known as "The Egyptian Book of the Dead" -- a misleading title --: "[A]ll translation (of this texts) must be considered as wrong". I do pretend that the same can be said of many if not all very old religious texts, i.e. also of the Upanishads. But the commentary is really interesting, and brings in my mind as "a simple reader interested but no mystic" more than other such comments. Aurobindo make a comment from the inside, and feeling himself what currents pass through the texts. And this is why I do read and reread that translation. Not to find a text of modern English poetry.

I have another Upanishads, so , I bought this one because it has sanskrit included in it, so far it has been an excellent read, very thankful for this book.

Highly recommend. Thank you!
